DOING HER HUBBY'S DIRTY WORK?

Dear Editor of 40+ magazine:

My husband brought your magazine home the other day. Actually he brought home about one-quarter of it. He thought Rochelle, the woman on the cover, was his ex-wife. He says it's been almost twenty years since he saw her. They married young and divorced by the time they were 25 and he moved to Manhattan while she stayed down South.

I asked him how he got the issue and he said he was walking by a newsstand after a business lunch and did a double-take when he saw the cover. He said ripped out the other pages and gave them to his co-workers. He said he looked at the photos for a while and could not determine if it was his ex-wife. We talked about her at dinner that night and it piqued my curiosity too, especially when he said she was very prudish and didn't think she could ever do anything like pose nude for a men's magazine.

So, I'm writing to ask you if her name could be released to us, or our name and phone number could be given to her. My husband said you're not allowed to do it, but if you can send her the other letter I enclosed, we'll just hope she'll get in touch with us. While I'm not that keen on bringing her back into his or our life, I am also curious if it could be her after hearing about her for twenty years.

Thank you for your prompt attention to this matter.

– Eloise J., NYC

Eloise, well, since you asked so nicely, your husband is almost right. It's not that we're not allowed to give out names or addresses, it is our policy that we do not. We respect the privacy of our models, even if they could have been someone's wife at one time, decades ago. The private letter has been forwarded to the photographer because we do not maintain contact with some of our models. Hopefully it will reach her and you and your husband's curiosity can be satisfied. – Ed.

GRATIFICATION IN A MATURE MANNER

40+ editor,

I've never written to a magazine before but when I saw Rochelle, I was instantly in lust – I mean – in love. What a hottie she is. I like MILF-next-door look and she fits the bill perfectly. I really dig the way she's rolling around in those white sheets. It really sets her body off. And she is so flexible. I really dig the way her legs are spread showing us her pretty pink pussy. I can just see my finger probing it's inside while my tongue licks it. Yummy. Her poses are so hot and inviting. I can see myself kneeling in front of her with my extreme hard on zeroing in on that pink target. I'd grab her ankles and hold her legs back like that and pound it in her until she was deeper in those white sheets. Then I'd push her ankles down next to her ears and then pull them wide as I trust my cock in her. I know that would turn her on and make her cum as she screamed in pleasure. Then I would cum, but I'd pull out just in time to splooge allover her pussy. Oh shit, I have to get a tissue and clean off the page. I can dream can't I?

– Larry, Des Moines

RED LIGHT DISTR-ACTION

To the editor,

As I was looking through your last issue of 40+ I came across this girl Sasha standing in the doorway, exposing herself and dildoing herself. Of course she's fine, but the photos reminded me of this cathouse I went to in Amsterdam two years ago. I was visiting there with a couple buddies of mine, Chet and Bob. I had never been there before, but they had been there a couple times. They were into the red light district scene and thought I might get a kick out of it. They dragged me along and initially I did not want to go. They teased me, but promised that it was safe and that I would have a good time, saying that if I didn't want to join in, then I could watch. Well, I got more than a kick out of it, let me tell you.

We were walking down Warmoesstraat street, turned a corner and there was a hot blond standing in the doorway of a thin, old building from like the past. She was wearing a pinkish teddy and high stripper heels and holding a red dildo in her hand and bringing it up to her lips to pretend lick it. We walked past her to see more of the shops, but I'll never forget that scene and when I saw Sasha it reminded me of her. My buddies dragged me further down the road and promised me that I'd get laid tonight. I was excited, and a little tipsy, so I said – "Let's do it!" We got to this brown building with a couple stairs up to the door and a big window to the right of it with the curtains drawn halfway and a cute girl sitting on a chair looking out. She waived to Chet as if she recognized him. We all went up the stairs and she met us just inside the doorway. Before I knew it we were in her room and she was pulling the shades across the window.

Rochelle invites you into her bed! Be sure to bring the pink champagne.

There was a double size bed in the room and it smelled all girlie. She told us to go wash and we took turns in the bathroom. Chet came out first, then Bob, and as I came out I saw they had already worked out the financial arrangements. She said her name was Sonya and in broken English says she likes American guys. Chet starts it up again taking his shirt off as she helped him with his pants. Bob and I sat on a couple weird chairs along the wall and watched as she dropped his pants and boxers and grabbed his cock as she pulled him over to the bed. He sits on the bed and she pulls out a condom and pulls it over his cock. She pushes him back on the bed and starts to give him a blow job right through the condom. She's bent over and her nice butt's up in the air bobbing up and down as her mouth goes to work on him. After a few minutes of this, Bob gets up and pulls his cock out of his pants, goes over to her night stand, grabs a condom and loads it up on his cock. He positions himself behind her and fingers her pussy. Apparently, it wasn't wet enough so he gets some gel from the night stand and rubs it between her legs.

I'm now playing with myself as Bob slips it in her. She hardly missed a suck as he begins to fuck her. I decide to pull myself out of my pants before I bust the zipper and start stroking my cock to relieve some of the tension. There was a weird reddish glow to he room so it looked like a cheap porn film, but it was kinda exciting. Chet sits up a little as she is still blowing him and he motions me to get a condom and lay on the bed next to him, which I do. Sonya, grabs my cock and pumps it as she continues with Chet. Bob is behind her pumping away and gives me the thumbs up. Sonya then turns her attention to me and begins to blow me. I'm up on my elbows so I can watch. It's a really weird feeling to get a hummer through a condom, but she is a pro and I hardly can tell the difference.

Chet and Bob tag team slap each other's hands and switch positions with Chet now behind her fucking her standing doggie-style and Bob next to me ready for his bj. He changes condoms and grabs her hand to start giving him a hand job. She's still sucking my cock and playing with my balls with her free hand. Damn, this girl was good. All of a sudden Chet blurts out that he's gonna cum and does so giving her a couple really hard thrusts that she has to stop blowing me and brace herself for his climax. He finished cumming and goes over to the chairs to rest pulling his condom off as he sits.

Sultry Sasha: Never looking back!

Sonya now stands up and climbs on the bed over me, turns around and squats on my cock reverse cowgirl style. She motions to Bob to stand up and he positions himself in front of her and puts his cock in front of her face. She reaches out to grab it and pulls it into her mouth and starts sucking him off. I grab her butt and help her with the old in-and-out. I can't see what she is

doing to Bob, but from looking at the back of her head and the expression on his face, I know she is doing it well and he's digging it. A few more minutes of this and I'm ready to cum. She senses it and gets off just in time to jerk my cock a couple times and I let loose inside the rubber straight-jacket. That's two down and one to go. She tells me to get off the bed and go watch as she lays back on the bed and pulls Bob down on top of her. She guides his cock into her swollen pussy and lets him fuck her. Which he does for a few more minutes. Sonya rolls over on her side facing us and makes some great fuck faces for our amusement. Her mouth is wide open going "Oh yeah! Oh yeah!" as she raises her top leg so we can see him fuck her. She rubs her pussy hard, grabs Bob's balls and squeezes hard. He screams and bucks his hips with his big finale as she does the same. They cum together and lay spent and exhausted on the bed. Chet and I break out into a round of applause and they laugh.

We get washed up, get dressed, and thank Sonya at the door as we exit into the night. We stumble down the street, going in the wrong direction. Chet recognizes this after a couple blocks and we retrace our steps, back past Sonya. As we pass her window, we see her closing the drapes – and a shadow of a man in the room. She sees us and gives us a big double thumbs up and we give it back. She was really cool! We find a little bar and grab another [beer] as the guys ask me how it was. I said it was way too cool and she rocked. We spent a few more hours and many more Euros as the night got longer.

I'm sure you really didn't want to hear all this but other and my two buds, I haven't said anything to anyone else and it felt really good to relive the experience as I wrote this letter. Thanks dudes.

– Norm, Newark

Great story Norm. We've heard many stories about the RLD in Amsterdam and they have all been pretty hot. As sex hounds ourselves, it's nice to know there is a country that respects sex and proves that with proper regulation it can be a viable resource for people who are inclined to use those types of services. The brothels in America still carry a negative stigma, but they too can provide an outlet for men that want it. Unfortunately, we regulate them to the desert, miles from people because our lawmakers see sex as a bad thing that must be pushed out and away from society. In Amsterdam, the RLD is right in the middle of the city amongst restaurants, bars and historical places. They all seem to get along and all prosper from each other's presence. Who knows, maybe one day here in America we can have the same freedom.. – Ed.

Sexy Lea leaves readers wanting more.

LOVE THAT LEA

Hi guys,

I'm a forty-six year old man and I love Asian women. When I saw your pictorial of Lea (40+ #96), I fell in love all over again for the eighty-fourth time. She's hot. Got some nice meat on her bones. Great tits and a nice round ass. All of which is more than I deserve, but she was great to look at. I wish she was shaved, but since she was over forty I'll forgive her. I like the way we got to see every part of her. She moved around and all I saw tempted me even more. I've had my share of Asian women and I loved them all. And very well I might add. Their pussies are really small and tight. Their boobs are usually small, so when If see one like Lea with great tits, I can cream very easily. Can I get one more shot of her in your next issue?

– Barry, Berkeley

WE LOVE ASIANS, TOO

Dear Editors,

I'm an Asian man who likes white women, but when I saw your layout on Lea, I was pleasantly surprised. Most Asian women, especially women over 40, are usually quite repressed when it comes to sex, and even more so about any type of public nudity, photographs in magazines included. Old world customs are strong and family is strong, too, so for one to break away is quite rare. I know that the younger Asian women are a little more free with their sexuality considering how many porn stars are Asian. And there are several magazines that cater to the Asian crowd, but I liked the fact that you mixed Lea in with the others. Keep up the good photography and keep the mix of people because were are all one world.

– Kim, Portland

LOVE THAT NIKKI

Thank you for one hot Latina in Nikki Reed. She's one hot tamale. The photo spread on her was really sexy and it looked like she enjoyed doing it. Posing and shoving that dildo in her hot pussy. She proves that Latin women are the hottest on the planet. If you guys out there have never been with a Latina, let me tell you they are the hottest fucks on the planet. Just to touch their skin while having sex, you can actually feel the heat in their blood.

I am fortunate enough to be married to one and our sex life is just as hot as it was on our honeymoon thirty years ago. Her blow jobs are the best. If we don't have intercourse, she'll suck my cock for hours until I come. And then she'll suck it some more. When we do fuck, she's there to please me. Not because I tell her to but because it's in her hot blood to do so. Our kids have all grown up and went off and got married so we have the house and our time to ourselves. Every Sunday, right after church, we'll come home and jump into bed and hold each other, and we'll fuck and we'll suck, religiously. Mamacita's been taught well.

Even though we've both put on a little weight over the years, she is still a fine looking heina and I still get horny just looking at her. I still like going down on her and she still likes to suck my cock. Nikki reminds me of her because she looks like she wants to have sex with that dildo and the dildo's going to enjoy it.

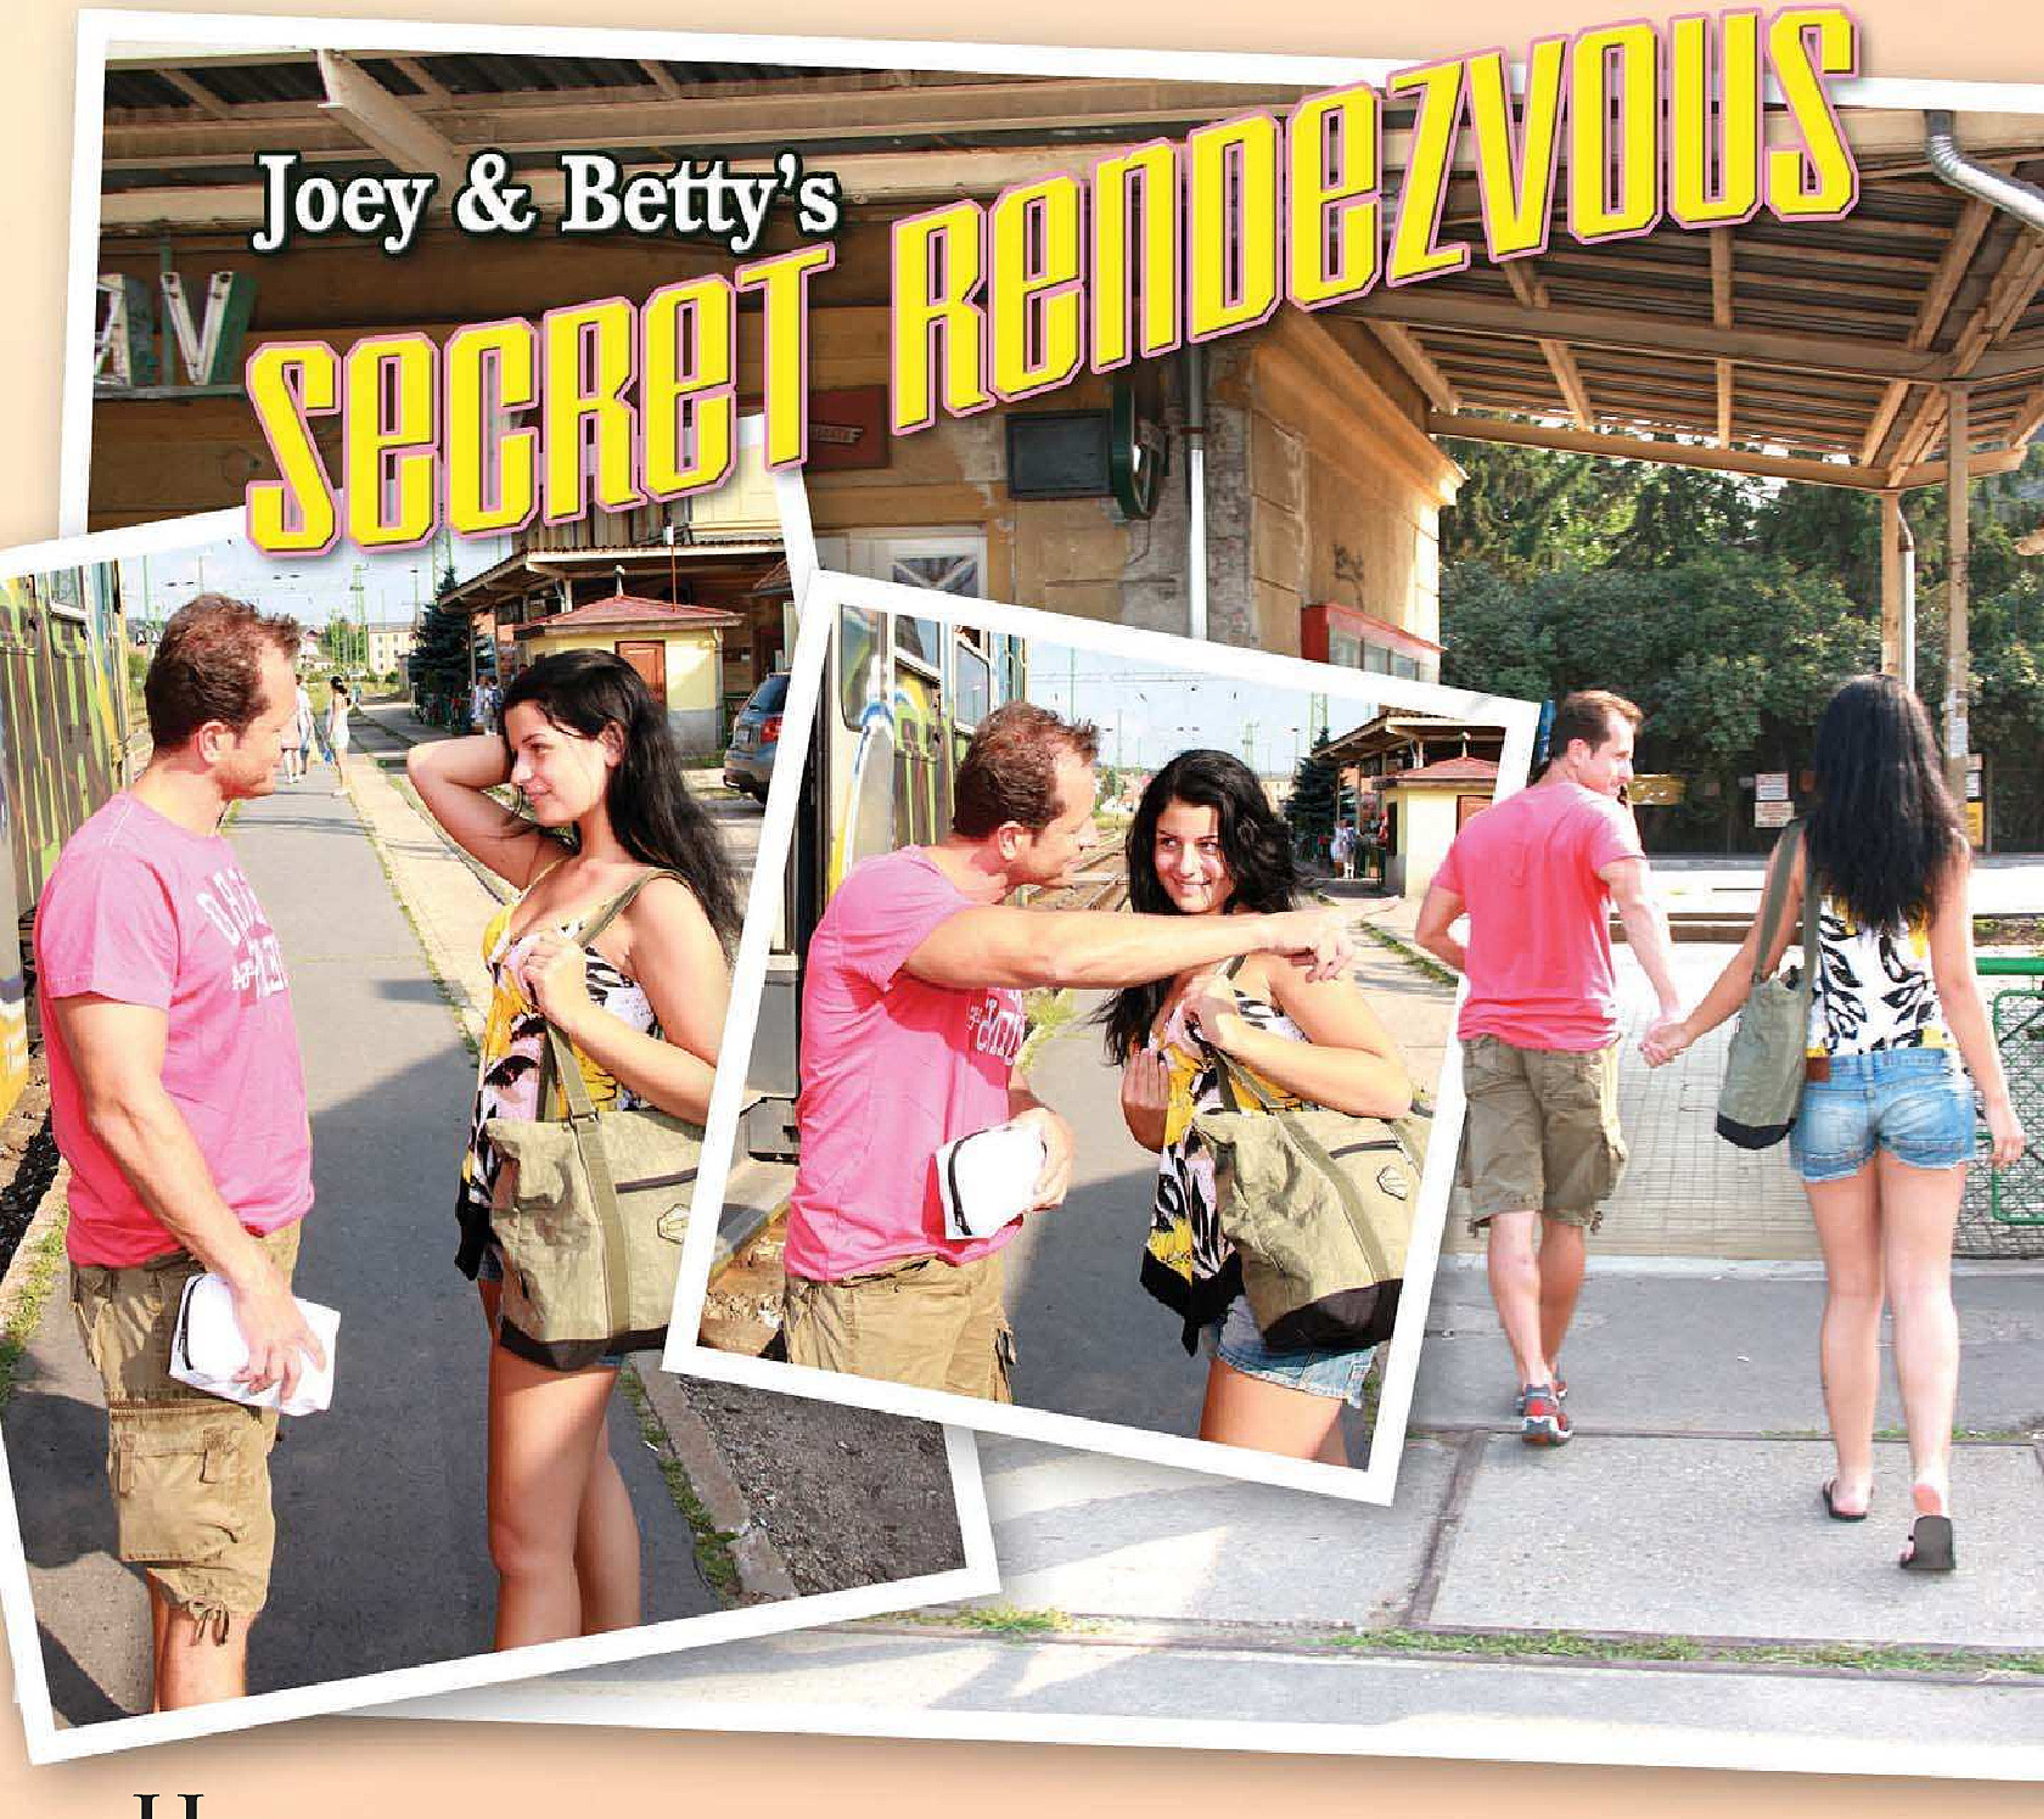
In just a few minutes Joey would finally meet Betty at the train sgtation. They met at the hotel bar in town. She was married, visiting Europe alone for the first time. They seemed to have a lot in common. What they had in common was they both loved sex.

Joey & Betty's SECRET RENDEZVOUS



He was waiting at the train station. He looked around straining to find her. Where is she? She said she would be here! She wouldn't back down from this. Did she not leave her hotel? Was she talking to her husband back in the states? He looked around the tracks again. Was that her? It looks like her but they had met in a dark hotel bar and conversed by candlelight. Now it was bright sunny day and he couldn't be sure. He tried to remember their past conversation that she would be wearing a bright print top and cut off jeans. Betty was quite nervous as she walked up to him on the platform. On the train ride out, she played over their romantic evening. She played over what her husband would do if he ever found out. They had only been married for a year, but there was something about Joey. He was a smooth European. He said all the right things. He was ruggedly handsome, and he wanted her. She though about what she was going to do. Besides, who would ever find out. They see each other. Just a little way away. But what to? "Bonjour." says Joey. "I'm so glad you decided to come out. Did you enjoy the ride from Paree?" he continues in his deep French accent. Betty's standing in front of him with a million thoughts running through her mind. "Oh yes, it was quite nice." she answers. "My house is just a hundred meters from here. Let's go now and enjoy the walk." He grabs her hand, but feels a little reluctant resistance. He looks over and smiles at her. Funny how a little smile can be very reassuring. She relaxes and they have a pleasant walk and make nice small talk. They pass several cute cottages until they arrive at Joey's house. It's surrounded by a woven fence. He unlocks the door and beckons her inside. The smell of freshly cut grass fills their space and she inhales enjoying the sweet aroma, and the expectation of what is to come. They pause just inside the door and Joey closes in to caress her. She does not back away. The attraction is instant. No time is lost.

Joey gently pulls her straps off her shoulders and her top slips off her chest revealing perfect breasts. Her youth is apparent, but there must be something naughty underlying her charms. He touches her nipples and they react instantly to his touch and became very, very hard. He lowers himself and pulls her shorts off to reveal pure white panties. These he quickly removes also. Betty feels his warm mouth and hot tongue lightly brush her mound. She had shaven last night in the hotel room. Her labia become very sensitive after a shaving and his tongue made her tingle. She pressed herself against him tightly. She could feel his rock-hard cock pressing against her. She reaches down inside his pants with one hand while undoing the button and zipper with the other. She grabs his rigid cock and pulls it free of the garment. "Mmmmm," she moaned, "This is quite nice. May I kiss it?" "Oui, Oui. Please do." says Joey. Betty kneels in front of him, his pants around his thighs. Her shorts are off and her blouse loose around her waist. She takes his cock in her mouth, first kissing the head and swirling her tongue around it before taking it in. To add to his pleasure, Betty moved her lips down his length until her nose was buried deep at the base of his cock. She dragged her lips back up to the tip, sucking hard as she did so. Joey felt like his cock was going to be sucked off his body. She swirled her tongue around the engorged head, sucking it deep into her mouth and down her throat.

"That feels great," Joey moans. Betty thought it felt wonderful, too! That big piece of man-meat in her mouth. She was in control. She decided how pleasure was doled out. How much she would give and he receive. Betty was performing magic on his cock. He knew he wouldn't last very long at all. He managed to groan something to this effect, and looked down at her. Her eyes locked with his as her head bobbed back and forth a long his length, and, between strokes, she managed to say that it was okay and that she wanted to taste his cum. Joey continued to stare into her eyes as she moved her head expertly along his length. Joey began to feel the pressure build up in his loins, he knew he was about to cum, but then suddenly, Betty stopped her expert ministrations. He looked at her, confused. And then, with a little giggle, Betty took his balls into her mouth and began to suck them. She alternated between the two and then began to trace the bulging veins of his cock with her tongue. When she reached the tip she, again, sucked it into her mouth and sucked hard on it for a short while before retracing his veins back to the base of his cock. Joey watched in fascination as Betty again swallowed his whole length. When she pulled her lips back to his tip, she released her vacuum-seal and dragged her tongue down the underside of his cock. She went all the way down to his balls but didn't stop there and continued down to his asshole. Joey jerked slightly as he felt her tongue swirling around his puckered hole. "Mon dieu," he bellowed as she pushed her tongue into his hole. This has got to be pure heaven, he thought. After a few minutes of eating his ass, Betty returned her attention to his cock but continued to lightly play with his ass with her fingers. The other hand was gently massaging his balls. Betty worked him expertly, bringing him again to the brink of orgasm. Sensing this, Betty moved so that only the tip of his cock remained in her mouth and began to suck very hard. He could not contain himself any longer and shot his load deep down her throat. Betty savored each blast of his cum as it hit the back of her throat. "Mmmmm," she moaned in delight.

She stood and began to take off Joey's shirt and then pulled Joey to her chest. As he licked, kissed, sucked and fondled every inch of her breasts his lips found one of her erect nipples. He began by circling her areola with his tongue, making concentric circles, each drawing closer and closer to her distended nipple. When he finally reached it, he swirled his tongue around it and drew it into his mouth and sucked. Joey then took Betty's nipple between his teeth and, biting down gently, pulled on it. Betty shuddered at the sensation and moaned deeply. Joey moved to the other nipple and repeated the process. He then switched between biting and sucking on the nipples as he moved from one to the other. Finally Betty stopped him and took his still-hard cock in her hands and guided it into her dripping cunt. She stood on tip-toe to accommodate it's entry. She felt the head enter and then more and more until it was all the way in. Joey pumped his cock inside her holding onto her breasts for better balance. She slowly pushed her steamy cunt up his shaft making sure it was in

for the length of his cock. She fucked herself on his pole as she fit the whole thing into her pussy. She didn't let up until she had came twice, and, having done so, Betty pulled off him and pushed him to the ground and mounted him again. Not a word was spoken between them as Betty took hold of his manhood and lowered herself onto it. Joey watched, enraptured by the sight of his cock heading toward Betty's pussy. The first thing he felt was the heat from her pussy as Betty slowly lowered herself onto him. As he felt the soft, delicate folds of Betty's lips touch the tip of his cock, he threw his head back and moaned at the sensation. But he quickly brought his head back up and watched as his tip disappeared into Betty. The heat, the pressure, and the wetness of her pussy enveloped his rod. "Oh shit," escaped her lips in a barely heard whisper.

"I'm gonna fuck your brains out!" she bellowed as she began to drive her body up and down, impaling herself on his shaft. Joey reached up and grabbed her tits and began to maul them with his hands as Betty fucked herself silly on his cock. Joey grabbed her ass and dug his fingers into it, pulling her up and down his cock. Realizing she liked it rough, Joey took one hand off her ass and quickly raised it up and brought it back down onto her ass. Betty howled in pain and pleasure at the sensation of her stinging ass. Joey repeated this with the other cheek and was rewarded with another scream of ecstasy. Suddenly Joey felt that old familiar sensation in his balls, and he knew he was going to cum soon. But this time the sensation was multiplied many times over. It was incredible! "I'm gonna cum!" he bellowed. "No don't. Not yet." said Betty as she dismounted him and grabbed his cock as if to keep it from spurting. "I want you to fuck my ass first." When she was satisfied that he was no longer on the verge of climax. She again lowered herself onto his cock, only this time she placed its head directly over the puckering hole that was awaiting him. She didn't use any lubricant; she uses her juices that had flooded out over her ass and his cock. Betty slammed herself down on his cock and moaned in ecstasy. He almost came on the spot, but Betty would not allow that, she instead bent herself down and shoved her tits in his face. She didn't have to wait long before Joey began to slowly fuck himself in and out of her ass. Joey grabbed her hips and began pounding up into her as she plunged herself down. On the up-stoke, he pulled himself out until only the tip remained inside. The fucked each other furiously until neither could stand it anymore. Betty came first this way. Her pussy and rectal muscles expanding and contracting quickly milked Joey's cum out of his cock.

The next thing Joey knew, Betty was up and getting dressed. "Joey, I have to catch the next train back to Paris. My husband is arriving in a couple hours and I have to meet him at the airport." "But cherie," he whimpered, but she grabbed her big bag and headed out the door. She stopped at the opening and looked back at a still naked Joey laying on the grass with his spent cock.

"Joey this was fun, but it will be our little secret rendezvous. I'll think fondly of this day that I spent with you. I don't know if I'll ever see you again, but I'll think back to this and say to myself – 'We always had Paris.' Au revoir, Joey."

Oh Betty, ze pussy, it is so tight!

WOMEN

MATURE WOMAN

Hi, I'm a bored, blond suburban housewife who's oversexed and over stacked. My husband just can't satisfy me. He doesn't understand that a 40-something woman has lots more experience than these young bitches. Our bodies are at their highest sexual peek and we want a hard cock right now! My measurements are 38DD-25-36 and my ass is as tight as a drum. I'm looking for a stud to get me off. Can you handle that? I do everything, BJs, anal, threesomes, fetish, role playing, around-the-world - anything goes! You name your sexual kick and I'm the woman who'll satisfy you. Dare to be bad with me. Write me now. Seductively yours,
Barbara B., Wilmington, DE.

30-SOMETHING SLUT

Hi, I'm not a 20-something anymore but my body still rocks and I'm more horny than ever. I need men who appreciate a girl when she starts to mature. My pussy still gets wet at the very touch of a man (or a woman). It makes me nuts that guys don't get it that we blow these young bitches away. We know how to please with our mouths, and even anally so give me a try. I like real dirty talk.
Don't delay. Julie P., Los Angeles, CA.

LONELY

My husband left me for a 19 year-old slut last year and I want to get back at him badly by having sex with as many men as I can. That means you! I'm a very attractive woman in her mid 40s with dark hair. I'm half Latin and half German so I have a great, exotic look. My body is very good for a woman with two kids. Still an hourglass figure. Long legsv and tight buns (I work out regularly). I haven't had a lot of sexual experience but I'm open (wide open). Please send a nice intro letter first.
Maria, Houston, TX.

MEN

YOUNG MAN WANTS MOM

OK, so I'm only 18 but I love older chicks. I had this thing for my best friend's mom forever. She's so fucking hot! She wears those black seam stockings and tight ass dresses and just drives me wild. I want a woman like that with big tits and a big ass. No young cheerleader bitches. Just mature sex-starved women who want a young stud to fuck them all night long. I can do it. I also eat pussy. Send your letter to: Bud, Portland, OR.

HANDSOME STUD SICK OF POSERS

I'm sick and tired of chicks who want nothing but guys with money. I want an older MILF or cougar who will be thankful when I do her all night long. Don't ask me about how much fucking money I make, just as me how big my dick is or how long is my tongue because that's what I'm going to use on you. And you better thank me once I cum in your mouth.
Billy, Tacoma, WA.

NEW YORKER

Yo, old bitches. I don't care how old you are – 30, 40, 50, even 60. I'll do any woman who puts out. But you gotta do whatever I tell you to do, OK? So be prepared if it's really weird shit. Don't write to me if you don't want to do really crazy stuff and sex that you only read about in magazines like this. I'm the real deal. I have had se with at least 500 babes here in Brooklyn alone and that's not even counting Manhattan. I go to clubs there and find women your age all the time. So why am I writing to this magazine? Because I want more, OK? I'm handsome and work in law enforcement. Tell me how you look. No ugly chicks. If you're over 50 you better be in good shape. No saggy tits or asses. Mario, Brooklyn, NY.

NEEDS EXPERIENCE

I need an experienced woman to teach me about sex. I've only experienced kissing. Once I put my finger in a girl's hole but that's it. I need a woman who knows how to teach a young guy. Can you help me? I jerk off two or three times a day and always think of my teachers and female bosses (who are older) so please make sure you're like the women in this magazine. Oh, and I like those big white panties and big white bras for you to wear.
Clive, Chicago, IL.

You have something to say to us?

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

GIANA, LEGGY GODDESS

The recent issue of Leggy Wives with Giana on the cover made me weak in the knees and hard inside my pants. SHE IS A GODDESS. From her perfect curls to her perfect toes, she is the definition of what a woman is. The photo layout was exquisite too. The photographer captured this angel as innocent and as sexy and as naughty. I must have looked at her pictures for more than four hours the day I bought the magazine.

I was so enthralled with her that I went back and bought another issue so that it would stay pristine as the years went by. Thank you for bringing this absolute beauty to the world.

– Trevor, Minneapolis

We concur. When her test photos came across our desk, we had to order extra boxes of tissue – to clean up all the slobber, guys. When we got the pictorial, we knew she was a winner in every sense of the word. – Ed

GIANA RULES

However many girls you had to look trough to find Giana was worth it. Your job must really be tough. But let me get right to the point; I love her long slender legs and those shoes she was wearing really make her feet look gorgeous.

The powder blue bra and panty set contrasting against her brown skin was very beautiful. I like the way she kept it on for the pictorial. And I like the way she worked the sofa. Her poses really accentuated her long legs and when she sat on the floor and spread them, I was in pussy heaven. Just enough hair to keep it interesting, but not enough to obscure the view. Nice! She was a perfect choice for a cover girl and her pictorial was just hot enough to make me pop! I'm putting down this pen so I can do it again. Please excuse me...

– Larry B., Scranton

LIKING LEGS MORE?

I've always been a breast man, myself, but when I saw Giana on the cover of your magazine, I had to buy it and check her out. And I admit, I am staring to turn into a bit of a leg man. Giana has great gams. They seem like they could wrap right around me and hold my face there as I lick her pussy. I would start slow with my tongue, adding some nips and bites to arouse her even more. Then I would slide my hands up her beautiful chest to cup her perfect size boobs in them. Squeeze them and then pinch her nipples as I jam my tongue deeper into her slit.

Then I would unwrap her legs from my head and hold them spread-eagle as I take in every inch of her and gaze at the wet pussy I just left. I'd take her toes on my mouth, left one first, and nibble each and every toe as I watched her watching me do it. I'd then take all her toes in my mouth and selectively work each one with my tongue, taking time to insert it between her toes and tickle her. We'd end up sitting across from each other on the floor with her feet around my cock, pumping it until I came on them. Then I'd watch her get up and walk a to the bathroom with that great ass wiggling.

– Albert, Boston

DAYDREAMING OF GIANA

I had to buy your magazine when I saw this girl Giana on the cover. She is HOT. I'm a college student majoring in Journalism and I found her as my muse. After I stared at her pictures, I sat down at my computer an composed this note to her.

<< Giana, I've sucked each of your toes, and licked the spaces in between not once and not twice but as many times as it takes to know their softness and excitation. I'd explore the fullness of your hips, and trace curves of your asscheeks with the tip of my tongue. I would caress the backs of your thighs, and the spot where your spine meets its end would hold my attention until I knew it's every cell. After months of roaming over every inch of your body, I would linger at your breasts until the moon turns through two of its cycles. I'd circle your nipples with my tongue like a vortex until they made you moan in their ecstasy.

Giana's back with her great legs one more time. Her appearance in the last Leggy Wives generated so much mail we had to tip the mailman. His tip - he wanted twenty copies of her issue!!!

My journey would continue unabated into the depths below your navel. An area that has been hidden to all, yet wants to be discovered. I can only imagine what I would find there in the forbidden spaces between your thighs. I can only imagine. Would you be wet and welcoming or closed tighter than the gates of heaven to sinners. Would you welcome my fingers or my tongue or, hope of hopes, my swollen member?

If you agree, even then I would not be satisfied even if I had you each and every day. Even If I felt your heaving orgasms, I would want to feel them again, more intense, more personal each time you reached that sweet peak. Each time you lose control

You have something to say to us?

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

and I am right there with you to hasten it's cumming once again. I am there to seek your warmth, your smells, your tastes, your sex. I am there for the path to you is a daunting one, but I will persevere.>>

Well, that's a start. I hope to have more as the day breaks and my classes end. If I write more, I will send them to you and hope my daydreams will reach Giana's heart.

– Louis, Louisiana

Wow, Louis! What can we say after that. Our brains have turned to mush with your imagery. If these are your daydreams, we're afraid to ask what your nightmares bring. Nonetheless, we're sure Giana appreciates the thought and sentiment that went into every word you wrote or thought. – Ed.

ASS-TOUNDING STORY

I saw the bathroom sex scene in the last issue of Leggy Wives [Fixing Her Pipes – Ed.] and it made me laugh because I'm the ass-man. The Booty King. The Sultan of the Sphincter. Let me tell you why. I get more ass than anyone I know, and probably anyone you know. I can coax anal virgins to give it up to me – and like it – the first time.

Let me tell you about this anal cherry I popped of Jackie's. I started by telling her to get on her hands and knees and she obeys. I tell her to say "Ahhhh," and stuff my cock in there. I watch as her head bobs up and down on my Huge cock. Yes, it's huge, What else would it be? Jackie sucked my dick until I got hard as a rock and squirted all over her face. I love blasting her face with my huge, hot load. I then told her to lick up and she did. She lapped it all up without leaving a drop.

Next, it was time to fuck her in the ass. I made lay on her back with her feet over her head. This exposed her pussy and ass to my super-hard, super- large dick. I lean over and spread her butt cheeks so my fingers can lube her up. I tell her it's only going to hurt a little and she's going to like it. I tell her I'll be gentle and she'll want more when I'm done. I spread the lube heavily around her asshole and feel her quiver in anticipation. I push my cock towards the clenched opening and with a swift thrust, I go in. I put my hands on Jackie's hips and pushed my dick deeper into her tight asshole. I lift her hips and push it in and pull it out in a rythm that is sure to get her into it too. Her hips begin responding to me after the initial pain and fear have subsided. The deed is done and she's groovin' on it. I tell Jackie to turn over so I can fuck her in the ass some more. She obediently obliges, getting on all fours and lifting her ass in the air, daring me to stick it in again. And I do. One long push all the way to my balls and she collapses on the bed. I pull it almost all the way out and she backs up her butt so it won't fall out. It won't. She grinds her butt hard against me and I push back. We do this until she begs me to push it in and pull back wanting to feel it go in and then back out. Jackie cums, as she says, like she's never cum before. She says that she didn't know what she had been missing her whole life. I smile and agree.

I love fucking women in the ass. It's a pleasure which every man and woman should experience. especially the anal virgins with their tight assholes. It's a sensation that even the all-sacred pussy cannot equal. Guys, if you haven't fucked an asshole, do so before you die or you'll be missing out on one of the great joys and pleasures of life. Ladies, if you have not had anal sex, by all means do it. It will awaken something in you that straight pussy-fucking just cannot do. Just bend over and say yes. It's good for your overall emotional, physical and sexual health. Just ask any lady who has done it and they'll tell you it's one of God's better gifts to humanity. Well, maybe not in those words, but if they groove on it, they'll tell you so.

So, yes, I boast about my anal conquests, but they are not without their redemption. As we mature sexually, we learn that taboos are there for a reason. They feel too damn good to be allowed to all.

– Heath B. , Dallas

Heath, that was quite a dissertation. Quite an anal-ysis of the good and not-so-much of the bad of Greek love. While we too love anal, there are cautions to be observed, especially when one's butthole is deflowered. Nonetheless, good stuff, anyway. – Ed

WOMEN

MATURE WOMAN

Hi, I'm a bored, blond suburban housewife who's oversexed and over stacked. My husband just can't satisfy me. He doesn't understand that a 40-something woman has lots more experience than these young bitches. Our bodies are at their highest sexual peek and we want a hard cock right now! My measurements are 38DD-25-36 and my ass is as tight as a drum. I'm looking for a stud to get me off. Can you handle that? I do everything, BJs, anal, threesomes, fetish, role playing, around-the-world - anything goes! You name your sexual kick and I'm the woman who'll satisfy you. Dare to be bad with me. Write me now. Seductively yours,
Barbara B., Wilmington, DE.

30-SOMETHING SLUT

Hi, I'm not a 20-something anymore but my body still rocks and I'm more horny than ever. I need men who appreciate a girl when she starts to mature. My pussy still gets wet at the very touch of a man (or a woman). It makes me nuts that guys don't get it that we blow these young bitches away. We know how to please with our mouths, and even anally so give me a try. I like real dirty talk.
Don't delay. Julie P., Los Angeles, CA.

LONELY

My husband left me for a 19 year-old slut last year and I want to get back at him badly by having sex with as many men as I can. That means you! I'm a very attractive woman in her mid 40s with dark hair. I'm half Latin and half German so I have a great, exotic look. My body is very good for a woman with two kids. Still an hourglass figure. Long legsv and tight buns (I work out regularly). I haven't had a lot of sexual experience but I'm open (wide open). Please send a nice intro letter first.
Maria, Houston, TX.

MEN

YOUNG MAN WANTS MOM

OK, so I'm only 18 but I love older chicks. I had this thing for my best friend's mom forever. She's so fucking hot! She wears those black seam stockings and tight ass dresses and just drives me wild. I want a woman like that with big tits and a big ass. No young cheerleader bitches. Just mature sex-starved women who want a young stud to fuck them all night long. I can do it. I also eat pussy. Send your letter to: Bud, Portland, OR.

HANDSOME STUD SICK OF POSERS

I'm sick and tired of chicks who want nothing but guys with money. I want an older MILF or cougar who will be thankful when I do her all night long. Don't ask me about how much fucking money I make, just as me how big my dick is or how long is my tongue because that's what I'm going to use on you. And you better thank me once I cum in your mouth.
Billy, Tacoma, WA.

NEW YORKER

Yo, old bitches. I don't care how old you are – 30, 40, 50, even 60. I'll do any woman who puts out. But you gotta do whatever I tell you to do, OK? So be prepared if it's really weird shit. Don't write to me if you don't want to do really crazy stuff and sex that you only read about in magazines like this. I'm the real deal. I have had se with at least 500 babes here in Brooklyn alone and that's not even counting Manhattan. I go to clubs there and find women your age all the time. So why am I writing to this magazine? Because I want more, OK? I'm handsome and work in law enforcement. Tell me how you look. No ugly chicks. If you're over 50 you better be in good shape. No saggy tits or asses. Mario, Brooklyn, NY.

NEEDS EXPERIENCE

I need an experienced woman to teach me about sex. I've only experienced kissing. Once I put my finger in a girl's hole but that's it. I need a woman who knows how to teach a young guy. Can you help me? I jerk off two or three times a day and always think of my teachers and female bosses (who are older) so please make sure you're like the women in this magazine. Oh, and I like those big white panties and big white bras for you to wear.
Clive, Chicago, IL.
